HTML

PERFORMANCE

EDUCATION

- Continuous improving on **e-learning** platforms like Coursera, Udemy and Udacity.
- TOEFL** certification in 2007
- Computer Engineering** at Politecnico di Milano
- High school at Liceo Scientifico G. B. Grassi in Saronno

EXTRA TIME

In 2015 I have contributed to the foundation of the **Milano Frontend** group, organizing meetups and preparing speeches. Some topics has been presented also in **conferences** as CSSDay, 2016 and 2018 in Faenza, or published on my blog.

In 2014 I have done a **review** of the book Learning Single-page Web Application Development published by Packt Publishing.

"Forty-two," said Deep Thought,
with infinite majesty and calm.
