

# Giacomo Zinetti

I'm a frontend and backend developer.

In my free time I like to test&try new technologies for web developers. I work also on many tchoukball websites and on open source projects.

To keep my mind sane I love to play TchoukBall.

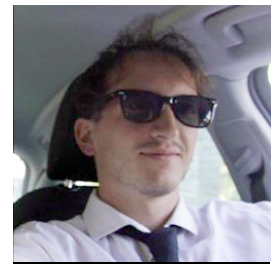

## My contacts

I live in Lomazzo (Como), Italy

My mobile is +39 348 7649164

You can contact me writing at [giacomo.zinetti@giko.it](mailto:giacomo.zinetti@giko.it)

Or read something on my blog [www.giko.it](http://www.giko.it)

## Experience

**Web developer** at [Prodigys Group srl](http://www.prodigys.it/) [http://www.prodigys.it/] from March 2010

Frontend for many websites of Vodafone Italia with particular attention to crossbrowsing (ie6+) pixel perfect. Lots of administrative tools developed in PHP and Python.

**Apprenticeship** at [Consoft Sistemi spa](http://www.consoft.it/) [http://www.consoft.it/] from May to July 2008

Developer for a big J2EE Application.

## Education

**Computer Engineering** at [Politecnico di Milano](http://www.polimi.it/) [http://www.polimi.it/] from 2004 to 2009  
(not completed for career opportunities)

**High school** at [Liceo Scientifico G. B. Grassi](http://www.gbgrassi.it/) [http://www.gbgrassi.it/] in Saronno from 1998 to 2003

# My free-time projects

[Federazione TchoukBall Italia](http://www.tchoukball.it/) [<http://www.tchoukball.it/>] since 2002

Responsible of the web parts (frontsite, administrative tools, facebook, community) of the national tchoukball federation of this innovative sport.

[Saronno TchoukBall Club](http://www.saronnocomets.it/) [<http://www.saronnocomets.it/>] since 2006

The club where I play, the first tchoukball club of Italy.

[YouTchouk](http://www.youtchouk.com) [<http://www.youtchouk.com>] since 2012

Video portal for tchoukball.

[Site-by-Site](http://giacomozinetti.github.com/site-by-site/) [<http://giacomozinetti.github.com/site-by-site/>] since 2013

Little script to compare and overlay two websites, useful to check css migrations.

[Tchouk IN...](http://www.tchouk.in/) [<http://www.tchouk.in/>] since 2013

Social World Map of "TchoukPoints".

Other projects on my [Github](https://github.com/giacomozinetti/) page [<https://github.com/giacomozinetti/>].
