

Giacomo Zinetti

Hello world! I'm a developer born June 15, 1984.

My passion is web developing, building every day better websites and applications with innovative user experience, cool graphic interface and using the latest technologies.

I love working with a team of web enthusiasts with whom to share our experiences.

My contacts

I live in Lomazzo (Como), Italy

My mobile is +39 348 7649164

You can contact me writing at giacomo.zinetti@giko.it

Or read something on my blog www.giko.it

Working experience

Frontend developer at [Sowre sa](http://www.sowre.com/) [http://www.sowre.com/] from April 2013

Developer of IBM WebSphere Portal's themes (HTML, CSS and JS) for clients like [Giorgio Armani spa](http://www.armani.it/) [http://www.armani.it/], [Ventura spa](http://www.venturatravel.it/) [http://www.venturatravel.it/] and [Membrane srl](http://www.membrane.it/) [http://www.membrane.it/].

Developed HTML templates of [Moby](http://www.moby.it/) [http://www.moby.it/]'s mobile website.

Web developer at [Prodigys Group srl](http://www.prodigys.it/) [http://www.prodigys.it/] from March 2010 to April 2013

Frontend of many websites with particular attention to crossbrowsing (ie6+) pixel perfect and responsive web design for clients like [Vodafone Italia](http://www.vodafone.it/) [http://www.vodafone.it/] (2011 Home-page and 2012 SERP) and [Allianz](http://www.allianz.it/) [http://www.allianz.it/] (mobile website). Optimization of websites with high traffic ([Landing offerte ADSL Vodafone](http://offerte-adsl.vodafone.it/promozione/) [http://offerte-adsl.vodafone.it/promozione/]). Lots of administrative tools developed in PHP and Python. I've worked in team with [Riccardo Forina](http://riccardo.forina.me) [http://riccardo.forina.me] and [Tommaso Bagassi](http://www.tommasobagassi.com/) [http://www.tommasobagassi.com/].

Apprenticeship at [Consoft Sistemi spa](http://www.consoft.it/) [http://www.consoft.it/] from May to July 2008

J2EE developer.

Tchouk IN... [<http://www.tchouk.in/>] since 2013

Social World Map of "TchoukPoints".

Other projects on my [Github page](https://github.com/giacomozinetti/) [<https://github.com/giacomozinetti/>].

About me

I love to live our world not only through a monitor but also travelling, taking pictures, juggling, driving (especially motorcycles), snowboarding, playing boardgames and staying with friends.

I also play a new strange sport called **TchoukBall** [<http://www.tchoukball.org>].
