

Giacomo Zinetti

Hello world! I'm a web developer born June 15, 1984.

My passion is web developing, building every day better websites with innovative user experience, cool graphic interface and using the latest technologies. I love working with a team of web enthusiasts with whom to share our experiences.

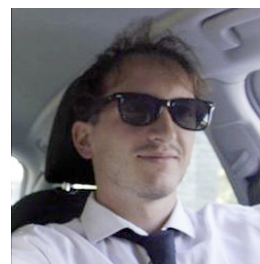

My contacts

I live in Lomazzo (Como), Italy

My mobile is +39 348 7649164

You can contact me writing at giacomo.zinetti@giko.it

Or read something on my blog www.giko.it

Working experience

Web developer at [Prodigys Group srl](http://www.prodigys.it/) [http://www.prodigys.it/] from March 2010

Frontend of many websites with particular attention to crossbrowsing (ie6+) pixel perfect for clients like Vodafone Italia, Allianz and UBH Real Estate. Lots of administrative tools developed in PHP and Python. Work in team with [Riccardo Forina](http://codingnot.es) [http://codingnot.es].

Apprenticeship at [Consoft Sistemi spa](http://www.consoft.it/) [http://www.consoft.it/] from May to July 2008

Developer for a big J2EE Application.

Education

Computer Engineering at [Politecnico di Milano](http://www.polimi.it/) [http://www.polimi.it/] from 2004 to 2009
not completed for career opportunities

TOEFL certification obtained on 5th May 2007

High school at [Liceo Scientifico G. B. Grassi](http://www.gbgrassi.it/) [http://www.gbgrassi.it/] in Saronno from 1998 to 2003

My free-time projects

Federazione TchoukBall Italia [<http://www.tchoukball.it/>] since 2002

Responsible of the web parts (frontsite, administrative tools, facebook, community) of the national tchoukball federation of this innovative sport.

Saronno TchoukBall Club [<http://www.saronnocomets.it/>] since 2006

The club where I play, the first italian tchoukball club.

YouTchouk [<http://www.youtchouk.com>] since 2012

Video portal for tchoukball.

Site-by-Site [<http://giacomozinetti.github.com/site-by-site/>] since 2013

Little script to compare and overlay two websites, useful to check css migrations.

Tchouk IN... [<http://www.tchouk.in/>] since 2013

Social World Map of "TchoukPoints".

Other projects on my [Github page](https://github.com/giacomozinetti/) [<https://github.com/giacomozinetti/>].

Hobbies

I love to live our world not only through a monitor but also travelling, taking pictures, juggling, driving (especially motorcycles), snowboarding, playing boardgames and staying with friends. I also play a new strange sport called [TchoukBall](http://www.tchoukball.org) [<http://www.tchoukball.org>].
